

WireFree range:
no need for
domestic wiring

Somfy's new WireFree motorization range is designed to accommodate **all kinds of blinds, draperies** and windows. This easy-to-install solution is completely **battery-powered** and requires **no wiring at all**.

So let the smart shading possibilities **free your interior decor potential** and creativity. This range also **frees up the everyday** as you can play with different moods and **many connectivity options** that suit your lifestyle.

Make a move! Free your decor.

About Somfy

Somfy's leading smart management solutions for homes and buildings have been improving people's daily lives for over 50 years. Developed with comfort, ease of use, security and sustainability in mind, our innovations automate and connect rolling shutters, draperies and blinds, gates and garage doors, lighting and heating, alarms systems and more. We are committed to creating useful solutions that are accessible to all, designed for today and beyond.

NEW WIREFREE MOTOR RANGE FOR BLINDS & DRAPERIES

WireFree™

Make a move!
Free
your decor.

somfy. Building happiness

Free your decor potential

Let the possibilities spark your imagination. Breathe inspiration into your life and decor with this innovative wireless technology – a solution that gives you the power to define the look and feel of your home.

WireFree motorization **multiplies your options** for window coverings that not only reflect your aesthetic, but also provide a multitude of styles and models that **elevate any design concept**.

Walls are preserved to serve as your design canvas thanks to clean and **easy installation**, there's **no need for domestic wiring** or electrician expenses.

Sleek designs and **discreet motor installation** mean you never have to compromise your interior design.

Free up the everyday

Dare to create a home that complements your unique lifestyle.

Play with different moods or **protect your privacy!** Whether you are waking up, working, watching TV or winding down, create a dynamic ambiance by **controlling natural light and room temperature**, at a touch.

And thanks to its **technology's** silent operation, you can enjoy a **peaceful environment**. Motorization also means **no hanging cords**, so you're free to get swept up in the moment in a child-safe and pet-friendly setting.

Somfy WireFree solution is **powered by high quality rechargeable Lithium-Ion batteries**. Only recharge once or twice year or get maintenance free thanks to solar charging.

Long-life rechargeable batteries

Many of our motors and accessories guarantee an industry leading level of premium silence

Relax in confidence with the Somfy warranty.

Trusted reliability ensure effortless maintenance. When you need to call on an expert, Somfy has the customer service and support you'd expect from a world leader, dedicated to a better way of living.

* 2 years limited warranty on batteries

Free your connectivity options

Let technology do the heavy lifting. Take the leap and harness the benefits of smart living offered by the WireFree range.

Your atmosphere is literally **in your hands** with remote and app control.

Effortlessly **automate daily tasks** and **connect remotely** to appear home even when you're not.

Choose the best control device for your needs
